

"When you ask what is going on inside, teens usually say 'I'm fine.' Most adults believe it. But inside we are really fighting a battle. There are voices in (teen) heads telling them they are not good enough and never will be."
-Burncoat Middle School, 7th Grader

Cuando preguntas qué está pasando adentro, los adolescentes por lo general, dicen "estoy bien". La mayoría de los adultos lo creen. Pero por dentro estamos realmente librando una batalla. Hay voces en las cabezas (adolescentes) diciéndoles no son lo suficientemente buenos y nunca lo serán".
