PROJECT UPDATES

HOU has completed the assessments of the 72 units from buildings 36 to 58 that belong to Phase I.

Planning for the relocation will be underway between WHA and HOU. In the upcoming newsletter of 2023, WHA and HOU will share with residents a list of tiers concerning "Priority Moves," Residents will be informed of the relocation project's start date and when to expect their 30-day Notices.

Resident Meetings are paused until closer to the start of the actual relocation project.

We like to express our gratitude to all residents that allowed us access to their units to complete an inspection vital to the redevelopment project.
